BOCA RATON, FLORIDA

SPONSORSHIP PACKAGE

What is the Southeast Student Symposium?

The ASCE Southeast Student Symposium is a 3-day event in which over 600 students across 19 universities in the Southeast region and Puerto Rico come together to connect, compete, and showcase their skills in over 20 competitions.

Why sponsor us?

Hosting the symposium is no small task, and we're calling on our community to help make it possible. This annual event brings together hundreds of students from across the region to compete, collaborate, and showcase their technical skills through various challenges, requiring significant funding to cover materials, logistics, travel, and competition infrastructure.

Your support not only helps make this large-scale competition possible but also demonstrates your commitment to education, innovation, and the future of engineering. To show our thanks, the following page details sponsorship benefits.
